Dear Parents/Guardians and students,

At the moment, when the entire world is under the threat of pandemic of Corona Virus, let us follow the precautionary measures of social distancing and adhere to the guidelines issued by the Government on complete lockdown.

At this hour of time, we the members of DAV Samastipur, stand by you and pray to the Almighty for your well being.

We are working day and night to stay connected to our students through our school's Website- [www.davsamastipur.in](http://www.davsamastipur.in) for extending academic support to them. We are uploading study materials and links to various educational sites for online support.

For the convenience of students, we will upload the soft copy of few chapters of the text books also. You can download these materials and use accordingly.

We advise you to make the best use of the lock down period. At at home and spend quality time with your family members.

Once again, I request you to maintain social distancing and follow the precautionary measures against the spread of Corona Virus.
